**East York Curling Club  
Game On! Little Rocks Bonspiel  
January 5, 2019**

Our East York Curling Club's Little Rocks Program is hosting a bonspiel for children aged 8 to 12 on Saturday, January 5<sup>th</sup>, 2019.

In addition to two East York teams playing at the bonspiel, we are also expecting another 10 teams from as far away as Port Perry and Richmond Hill, Ontario. All in all, we are expecting nearly 50 children and their parents attending our event at the East York Curling Club at 901 Cosburn Avenue at Cosburn/Cedarvale.

The bonspiel is an opportunity for our Little Rocks curlers to hone their skills in friendly competition, which we hope would, in turn, contribute to a lifelong love for this fun, healthy, family-friendly activity. Unlike other ice or winter sports, curling does not require expensive equipment for the players -- all the child needs is a clean pair of indoor runners. Curling equipment like rocks, brooms, and sliders are all provided by the Club.

To keep the program affordable for as many families as possible, we endeavour to keep participation costs low. This is why we need to fundraise for equipment purchases and special events like this one.

The January 5 bonspiel is an opportunity for us to raise money for our program. We have successfully raised over \$500.00 from our latest bonspiel in early 2018. While some are new sponsors, most have been returning supporters who continue to help with our team.

We need your support to make this day a success for the children. Please consider the following ways to help:

- Be a sponsor
- Donate an item for a gift basket that we can raffle
- Donate a prize for the players

All sponsors and donors are formally acknowledged during the event and on the East York Curling Club official website at [www.eycc.ca](http://www.eycc.ca). If you have another idea of how you would like to contribute, we'd be happy to talk to you about it.

Thank you for your consideration. We are grateful for any support and we invite you to contact our volunteer coach and parent volunteers whose contact details are provided below.

Thank you.
